SESSION SYNOPSIS OF APRIL 19, 2023

Session meetings always begin with time set aside for education. As you may recall from previous synopses, in 2023 Elders are studying the creeds that compose our *Book of Confessions*. In January the *Nicene Creed* was examined, and in February it was the *Apostles Creed*. The next creed is being discussed in several segments as it is quite long. The *Scots Confession* was written by John Knox and several other Protestant ministers during the 16th century Reformation period after the Scottish parliament earned sovereignty from England. In this section, elders struggled with the concept of the virgin birth as well as the usage of some rather strong language which contained aspects that might be considered inappropriate today but were probably important in the stance of the Scots in opposition to the Roman Catholic Church at that time. It was also noted that the current Church of England is *not* a Reformed church in the way Presbyterians are Reformed — in fact, the Church of England follows a Catholic order system, upholds many customs of the Roman Catholic Church, but embraces fundamental ideas birthed during the Protestant Reformation.

The second regular feature of every session meeting is a discussion of Holy Living at FPCV. Elders pray for selected Teams, and sharing nearly always reveals the work of the Holy Spirit in some prominent way. This month, Faith Formation moderator Sharon Kinsey shared how things hadn't been going well with the start of the Sharing Table Project, but suddenly, she felt the prayers and everything just seemed to fall into place. Likewise, Membership Team moderator Elizabeth Monroe felt the Holy Spirit on her shoulder as she talked for over an hour with an individual who has been watching services online, is moving to Valpo, and is excited to join our congregation. Both also shared how meaningful and rewarding the entire Lenten season has been, from Ash Wednesday to Maundy Thursday to Easter Sunday. The music, lighting, study, poems, artwork ~ all were incredible. The posting of Easter morning pictures on social media went viral and garnered many positive responses!

A special highlight of the meeting was congratulating Elder Trish Lawson on her recent hiring as interim part-time Director of Faith Formation, but it also involved sadness as Trish needed to resign her position on Session since she is now on staff. Trish will obviously remain an active member of our congregation, and her enthusiasm will be apparent in many activities.

Another important item on the agenda was the Annual Roll Review. The Book of Order requires that Session review the rolls every year. Because it is Session's responsibility to "seek to restore members to active participation," the rolls are reviewed to determine which members have been inactive for quite some time. However, since Covid hit in 2020, many have been worshipping online rather than in-person, so signing an attendance pad is not necessarily a good criteria for participation. As a result, several Elders volunteered to make contact with some inactive members to encourage them to return to church, or if not return in person, to let them know that they are still cared for, prayed for, and loved.

In addition, several **MOTIONS** were approved:

- **Finance** recommended contracting with audit firm Comer, Nowling to conduct a modified audit/review of First Presbyterian Church and its missions for 2022 and to consult on the structure of a 2023 audit. (This is required by our *Book of Order* G-3.0113.)

continued on next page

- **Worship recommended offering Outdoor Services in the Pavilion on the first and third Sundays, weather permitting, beginning May 1, 2023, continuing into the fall dependent upon weather conditions.**
- Session approved the following signatures on the checking account at Horizon Bank: Susan Davis, Connie Knauff, Linda Long, and Allison Schmitt.
- **Email motion** to approve the use of Fellowship Hall, Friendship Room & Pavilion for 1 1/2 hours on Thursday, May 4, from 6PM-7:30PM by the Izaak Walton League of America's local Porter County Chapter to conduct a Family Nature Night educational event.
- A *draft* (not yet approved) of an updated Facility Use Policy & Fees document and associated forms was presented by Finance for a first reading. Elders were asked to discuss the policy and fees with their respective teams and this will hopefully be voted upon at the May Session meeting.
Mission asked for an Administrative Commission to be formed to address issues related to the mission of FPC Valpo.

Elders shared many joys related to individual families and our church family, but they also expressed deep concerns about difficult issues, discord, and gun violence occurring both near and far.

If you would like more information, please read the detailed minutes which will be *posted in the glass-enclosed announcement board* in the Hospitality Center once they are approved. **In the meantime**, please contact any of the Elders and/or the Clerk if you have questions or are interested in further details.

Respectfully submitted,

Judy Hollar, Clerk of Session

CHRISTIAN SYMPATHIES

We extend our heartfelt sympathies to:

The Mike Shurr and Susan Nannenga family upon the death of Mary Jayne Shurr.

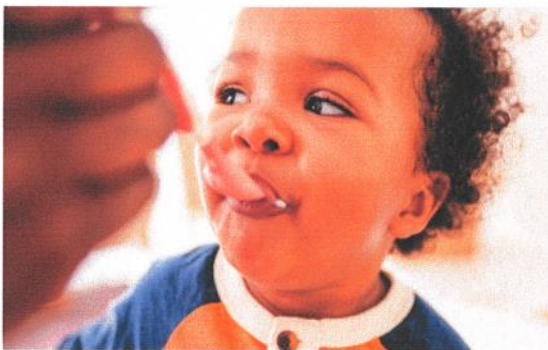

OFFERING of LETTERS

Brice and Nikki Mosher own and operate Infinity Microfarm in Missaukee County, Michigan, which works within a Community Supported Agriculture (CSA) framework, bringing together a group of local people who support the farm's work. The Moshers charge \$20 per box of fresh fruits and vegetables. Thanks to a federal nutrition program called the Gus Schumacher Nutrition Incentive Program (GusNIP), about half of the farm's CSA shareholders also participate in the Supplementary Nutrition Assistance Program, better known as SNAP. The SNAP participants pay only \$5 of the \$20 cost, with the rest covered by a GusNIP grantee. It's a great deal for both the families that participate in SNAP and the Moshers.

Unfortunately, only a small fraction of the 41 million people who receive SNAP benefits have access to GusNIP incentives. **Increasing U.S. government support for GusNIP in the Farm Bill will help ensure more families have access to fresh, nutritious fruits and vegetables.**

Every year, Bread for the World organizes churches, community organizations, and people of faith from across the country to write letters and emails to their members of Congress who have the power to impact the policies and programs that can end hunger.

By taking part in Bread for the World's 2023 Offering of Letters in support of the Farm Bill, you will help support domestic nutrition programs like GusNIP and SNAP, as well as funding for critical international food assistance programs.

BREAD FOR THE WORLD, continued

Bread for the World is a Christian coalition advocacy organization urging U.S. decision makers to do all they can to pursue a world without hunger. Their mission is to educate and equip people to advocate for policies and programs that can help **end hunger and food insecurity in the U.S. and around the world.**

Our Church's letter writing campaign is to ask our two U.S. senators, Mike Braun and Todd Young, as well as our Rep. Frank Mrvan to support the renewal of the upcoming Farm Bill in the Congress. The goal is to help end hunger in this country and globally.

Every five years or so, Congress takes up a massive piece of legislation known as the farm bill, which covers everything from supporting farmers to ensuring that those short of food don't go hungry. The cost of the bill is nearly \$100 billion a year. Right now, Congress is in the middle of the farm-bill cycle again.

In fiscal year 2021, more than 41 million Americans participated in SNAP and the total cost of the program was more than \$113 billion. In FY2022, SNAP costs were projected to increase by 18%, largely due to the Thrifty Food Plan (TFP) update, which was authorized in the 2018 Farm Bill. Federal nutrition assistance programs, including SNAP, serve 1 in 4 Americans. Given the broad reach of the federal nutrition assistance programs, it is imperative that they serve families in need, operate efficiently, and provide families with the foods they need to achieve both food and nutrition security.

The nutrition title composed 76% of total 2018 Farm Bill spending, making it the costliest title by far, with most of the funds going to SNAP. According to the Congressional Budget Office's May 2022 baseline for the legislation's major programs, the 2023 Farm Bill is estimated to cost \$1.295 trillion over 10 years, making it the first ever farm bill to exceed \$1 trillion. The nutrition title is projected to make up 84% of total 2023 Farm Bill spending.

For the first three Sundays of May Mission Team is encouraging a letter writing campaign to Senator Braun, Senator Young, and

Representative Mrvan. There will be instructions for the letters. There will be prewritten letters for those desiring to use them. However, each letter needs to have at least two personal reasons for writing the letters added to the bottom, such as your support of food banks or other ways you support the fight against hunger. Please sign the letters and include your address. This personal addition will help in getting the letters read. There will be envelopes for you to hand address. There will be three boxes in the church's narthex for letters. The envelopes will be stamped and mailed to our two senators Mr. Todd Young and Mr. Mike Braun and our representative, Mr. Frank Mrvan.

For those who wish to mail letters from home, here are the addresses:

Representative Frank Mrvan

Senator Mike Braun

Washington, DC 20510

Senator Todd Young

DEACONS DOINGS

(submitted by Joy Dirks)

I am writing this month's article during Holy Week, as we look forward to the Resurrection of Christ, and the promise of eternal life.

The Easter flowers have arrived and the Deacons have distributed them to their Deacon Friends. Just like at Christmas time, these flowers are always eagerly anticipated by our Deacon friends. They help cheer them up with a beautiful spring flower, and a chance for a visit by a church member, which is a great way to stay in contact with what is going on at church.

We continue with the monthly setup and cleanup for communion. We have updated procedures we have put in place. Our funeral procedures have also been updated thanks to Trish Lawson.

With the weather starting to feel warmer and our Daffodils in bloom, we are anxious for spring to be in full gear. The sunshine energizes us and this is good news for our Deacon Friends, who although getting out and about is not always easy, can appreciate the beauty of nature in the spring.

“Matthew 25 Reflection” presents information chosen by our Matthew 25 Team to inform and inspire our church family to actively engage in activities and with initiatives that reduce poverty and racism in our local communities and beyond.

VIOLENCE AGAINST THE BLACK CHURCH -from the June 2023 Equal Justice Initiative calendar

The Black church has long been central to Black culture in America, a symbol of independence, social uplift, liberation, strength, and revolution. During the Civil Rights Movement, protests like the Montgomery Bus Boycott were organized at Black churches.

That made Black churches a target for white fear, anger, and violence. On September 15, 1963, white men fire-bombed the Sixteenth Street Baptist Church, the largest Black church in Birmingham, Alabama, murdering four young Black girls. By the late 1990s, at least 80 Black churches throughout the South had been burned, fire-bombed, or vandalized.

The targeting of Black churches dates back to the 19th century. In 1822, after Denmark Vesey was executed for planning a rebellion of enslaved people in Charleston, South Carolina, white residents burned down the African Methodist Episcopal Church where Vesey had preached about freedom.

Two centuries later, on June 17, 2015, a white gunman motivated by white supremacy entered the rebuilt “Mother Emanuel” and opened fire on a Bible study group, killing nine Black worshippers, including the church’s senior pastor, the Rev. Clementa Pinckney.

Racially motivated attacks still target the Black church today. Over 10 days in spring 2019, arson attacks in St. Landry Parish, Louisiana, destroyed three historically Black churches that had been essential centers of the Black community for more than a century.

Despite facing unrelenting violence, the Black church persists, inspiring and holding up people engaged in the struggle for racial equality.

PRAYER:

Heavenly Father, help us to identify ways to work with others in our community who are engaged in the struggle for racial equality.

**PRESBYTERIAN RESALE SHOP
YOUR HELP HELPS US HELP OTHERS**

OUR MISSION:

The Presbyterian Resale Shop sells high quality, gently used items at a fair price to customers in northwest Indiana. We strive to help those in need, to create a welcoming environment for our customers and to promote teamwork among our volunteers. Our goal is to provide funding to worthy service agencies and charities, locally and globally.

Spring sales have exceeded our expectations at the Presbyterian Resale Shop. And strong sales mean we can help support more great causes in our community. In April we gave assistance to The Caring Place, Hilltop House after School Food Program, Geneva Center, and the Red Cross of Northwest Indiana.

If you haven't visited the Resale Shop recently, stop in and check out our new spring and summer merchandise and our new Book Nook. And don't forget to drop off the unwanted treasures you find when you do your spring cleaning!

The Resale Shop is an important mission of FPC and our continued success depends on our volunteers. Please prayerfully consider how you can help us help others.

Blessings to our church family and thank you for your continued support.

TREASURER'S UPDATE THROUGH MID-APRIL

Our First Presbyterian Church family continues to give generously to support the work of living out the Gospel in our community – from our staff to our church facilities to our mission and ministry teams:

- **OUR CHANCEL SUITE** envisioned during the pandemic is in place and dedicated in April. Its curves invite our eyes to move across our chancel, from the splashing water that reminds us of our forgiveness in baptism at the font, to the Word spoken from the pulpit and read from the lectern, to offerings of flowers and the Christ Candle on tables, to sharing the Feast at the table. Special gifts were designated in 2021, 2022 and this year to have our unique suite created for our worship space. The gifts covered suite delivery, two art glass inserts (one for the pulpit and another for the font, yet to be created by our local glass shop) and costs to hang the beautiful wooden Celtic cross that matches our cornerstone and suite.
- **THE SHARING TABLE PROJECT** leading us into the future is funded by congregational gifts, a grant from the Center for Congregations plus the remainder of a legacy gift from a decade ago.
- Funds distributed from our Endowment and some savings will fund the new part-time **Faith Formation Coordinator** for the remainder of this year.
- Funds from our Endowment and legacy gifts will fund **scholarships** for our young people.
- Together, our giving supports our **worship** music and arts that animate our Thursdays and glorify God on Sundays...fellowship events and hospitality organized by **Congregational Life**...the mission giving encouraged by our **Mission Team**...services supporting our church administration and facility led by **Buildings & Grounds** and **Finance & Stewardship** Teams...**Personnel Team** who care for our staff...**Faith Formation's** intergenerational approach, and more. **Your giving** makes these possible.

As of mid-April, we received \$215,425 toward our pledged operating income of \$445,572. In addition, we received nearly \$9,500 in general giving for operations, \$2,800 for per capita to support our greater church, \$9,000 designated for missions such as 2nd Mile and Presbyterian Disaster Assistance, and extra gifts for guest musicians, memorial gifts and others – totaling \$291,308. Our preschool maintains its strong foundation with tuition on target and expenses in line.

Expenses overall are at 26% of budgeted operating expenses. That's good news! Building utilities are more than we expected this winter and early spring, but some other line items are under budget. Some capital improvements are coming this summer, funded by our Capital Fund and a grant from the Smock Foundation, to bring drinking water stations, ADA accessible entries, and other essential needs.

We give from gratitude for God's generous blessings, centered around the gift of the Risen Christ – and share in worship and ministry together because we seek to be a vibrant congregation, one that lives God's Message by what we say and do. Thanks be to God!
