SESSION MEETING SYNOPSIS OF JUNE 17, 2020

Your **COMMUNITY TASK FORCE**, the subcommittee created at the April Session meeting to develop the plan to reopen FPCValpo, has continued to meet regularly over the past two months. On June 16, they issued an email outlining the current plan, which is continually being updated as new information becomes available. As they stated, they are "dedicated to the goal of *safely* reopening our building while being mindful of the needs of our congregation." We are currently in Phase 1 of that reopening, with Pastor Kim streaming live from the Sanctuary on Sunday mornings, but we also anticipate moving into Phase 2 soon which should include small groups of individuals in controlled situations. In the meantime, Session gave the Community Task Force the power to make decisions regarding isolated and/or unique requests (such as approving the upcoming American Red Cross Blood Drive in July; a small wedding July 31-August 1; Scout Troop 920's use of the Pavilion for meetings; etc.).

"Matthew 25:31-46 calls all of us to actively engage in the world around us, so our faith comes alive and we wake up to new possibilities. Convicted by this passage, both the 222nd and 223rd General Assemblies (2016 and 2018) exhorted the PC(USA) to act boldly and compassionately to see our neighbors through Jesus' eyes and serve those who are marginalized or in need - people who are hungry, thirsty, naked, sick, imprisoned, strangers, poor or oppressed in other ways and in need of welcoming."

Given the above directive from the PC(USA), Wabash Valley Presbytery has challenged FPC Valpo to become a Matthew 25 Congregation. Elders watched a short video from the PC(USA) and realized that in many ways we are *already* a Matthew 25 congregation! As a result, they unanimously approved moving ahead in aligning ourselves with both Presbytery and PC(USA) in exploring ways to expand our actions and our mission by becoming even more welcoming. And the most exciting news is that **FPCValpo is the 500TH CHURCH** to sign up to be a Matthew 25 congregation! Be sure to look for future activities wherein we will continue to *"build congregational vitality; dismantle structural racism; and eradicate systemic poverty."*

In other business:

- **FINANCE TEAM** affirmed that our revenues are on target at this point in the calendar year, and huge thanks again go to faithful supporters.
- The theme for this year's **STEWARDSHIP CAMPAIGN** comes from Joel 2:28: *"And it shall come to pass afterward, that I will pour out my Spirit on all flesh; your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions."* Moderator Lisa Pavlopoulos is very excited for the fall campaign!
- The **CHANCEL VISIONING TEAM** has been working with architects and engineers to determine long-term needs for the sanctuary and chancel areas. The decision has been made to look at the entire facility now as they hope to do a study of the entire building to determine a plan that looks ahead 10-20 years into the future.

SESSION MEETING SYNOPSIS OF JUNE 17, 2020, CONTINUED

- FPC Valpo has been invited by Presbytery to participate in a 2-year **CONGREGATIONAL COACHING PROJECT**. A leadership team of four members from our congregation will begin work in late August, with a goal of discovering and developing the unique God-given gifts and potential of our congregation. Look for updates as they report back!
- **IENGAGE** has received a technology grant and will be purchasing several tablets that can be used on a rotational basis by members who do not have access to live-streaming of Sunday worship services. In addition, they plan to purchase an upgraded camera system so that we can continue to upgrade our online presence. It was noted that on any given Sunday, our services are being seen by between 120-200 households! God is amazing!

Note: Session and individual teams do not meet during the month of July, but if you have questions or issues that need to be addressed in the near future, please feel free to contact any team or elder at any time. Session policies allow for email motions; and the Moderator can call a special Session meeting if necessary, so church business can always be conducted.

If you would like more information, please read the detailed minutes which will be ***posted in the glass-enclosed announcement board*** in the Hospitality Center once they are approved (and we are allowed back into the church!). Also please contact any of the Elders and/or the Clerk if you have questions or are interested in further details.

Respectfully submitted,

Judy Hollar, Clerk

WORSHIP NEWS – SACRAMENT OF HOLY COMMUNION

WE WILL CELEBRATE THE SACRAMENT OF HOLY COMMUNION ON SUNDAY, JULY 5, 2020, DURING THE ONLINE WORSHIP SERVICE (VIA FACEBOOK LIVE/FPC WEBSITE) AT 10:00 A.M. Pastor Kim invites all to the communion table in your home by bringing a piece of bread/cracker and a cup of juice/wine **TO PARTAKE COMMUNION**. This way, our faith community can be joined together for the sacrament even though we are physically apart.

CALLED SESSION MEETING SYNOPSIS OF JUNE 24, 2020

There was **SO MUCH** important work to be done that your Moderator (Pastor Kim) called for a special session meeting that was held on June 24. Only two topics were discussed during this meeting.

One order of business was to continue a conversation with Elders concerning the work of the Community Task Force regarding the status of worship, both on-line and eventually in-person (and what that would look like). Each Elder was given three (3) minutes to share her/his thoughts. Many important ideas were presented, but all agreed that (1) *there is a great deal of work to be done* in order for in-person worship to occur *safely*; (2) *a survey* of the congregation is in order to determine your thoughts and wishes; and (3) *better communication* with the congregation is needed. A **motion** was made to return to in-person worship on July 12, 2020, but the motion failed because after discussion, a majority of elders felt that this date was too soon given the status of the pandemic as well as the procedures that would need to be in place for this to happen safely. Nevertheless, Session challenged the Community Task Force to continue this discussion; put out a survey to the congregation to determine your thoughts and wishes; establish a more realistic projected date and plan for the re-opening of the church; and provide better communication to the congregation regarding the steps being taken and the progress being made.

The other order of business was a continuation of a discussion concerning the addition of an ASSOCIATE PASTOR to the staff. At last week's meeting, the **motion** was approved to direct the Congregational Nominating Committee to select an Associate Pastoral Nominating Committee (APNC). The process of selecting an Associate Pastor will probably take a year to a year and a half due to the fact that a congregational mission study will likely need to be completed. Given the unusual circumstances surrounding the current pandemic, the search process may look a bit different this time around, but following the approved **motion** from last week's Session meeting, it was resolved that the Congregational Nominating Committee should move forward faithfully in the selection process.

Again, please note that the Session and most teams will not be meeting again until August; but if you have questions or issues that need to be addressed, please feel free to contact any team member or elder at any time. Session policies do allow for email motions and the Moderator can call another special Session meeting if necessary, so church business can always be conducted.

Respectfully submitted,

Judy Hollar, Clerk

DEACONS DOINGS

As the world moves toward returning to “normal,” the Deacons and Elders continue to contact congregation members through email, phone calls and cards as a way to stay connected until we can resume activities within the church building.

The Deacons are also maintaining contact with assigned “Deacon Friends” in a safe, social distancing manner, until it is deemed safe to resume normal contact.

Since our community has recently experienced increased need due to COVID-19, the Deacons have voted to donate \$1,000 from the Deacon Fund to the Christian Food Pantry to aid needy families during this crisis. In addition, the Deacons would like to make the congregation aware that the Smock Grant is available for congregation members in need of financial assistance. The Smock Grant is intended for Presbyterians who have been affected directly by COVID-19 (job loss, inability to pay bills, medical bills, food, etc.). Please contact a Deacon if you would like them to submit a request on your behalf.

As always, you are welcome to share your prayer requests with the Deacons’ praise and prayer ministry by sending those requests to Beth Germann at begermann@gmail.com. You may also add your requests for prayer during Sunday morning online worship by contacting the church office at churchoffice@fpcvalpo.org.

Blessings and peace to all,

Lisa Vukin

The Presbyterian Resale Shop reopened in May and has received overwhelming support from the community. We will continue to be open from 11:00 a.m. to 3:00 p.m. Tuesday through Saturday through the end of July. We hope to return to normal operating hours in August. MISSION NEWS

CHRISTIAN FOOD PANTRY

Because of the pandemic, the pantry was rearranged in various ways. Due to various concerns, numerous volunteers needed to step back from giving time at the pantry. The serving system discussed and changed to see what would be the safest for volunteers and clients as well as most efficient for those working at serving. With The Shop closed for a time, it allowed for easy changes for all concerned. With people being wary of being out their homes and the fact that May had a holiday, one hundred and seventy-two families were served which provided food for three hundred and eighty-one people. Since it has been more difficult for food donations to come to the pantry, it is fortunate that monetary giving has been generous so needed items can be purchased. A donation of over 280 dozen eggs also helped the perishable offerings. Items for the Kid's Kits have been coming in and those kits were offered the second week in June. If and when the country can settle into a new normal situation, the pantry service should – with the help of our sponsoring congregations and local groups and individuals - be able to provide for our neighbors needing pantry assistance.

Those working the pantry are **VERY** appreciative of the new AC installation in the Asbury Center!
